## Gokyo Everest Trekking

The Gokyo Lake or upper Dudh Khosi valley offers a fine and arguably even more spectacular route into the heart of Khumbu than the popular direct trail up the Khumbu valley especially when combined with a crossing of the Cho La to Lobuche. This is a super trek with stunning views of world highest top mt. Everest, Lotse, Cho Oyu and hundreds peaks. Walking through the Sherpa houses, knowing their interesting culture, unique hospitality, passing the hundreds of Yaks & Yak pastures and making fun! Walking highland way but the wonderful ice lakes, icy paths and the beautiful Gokyo lake with the world tallest peak Everest gives you the real wonders and the heart beating views - Unbelievable !!!

temple, Kathmandu Durbar square and Swoyambhunath stupa. We take you to Bouddhanath stupa to show you 1500 years old stupa, the biggest in the world. Loaded with prayer flags and Tibetan pilgrims, it is an intoxicating place. The Swoyambhunath stupa is even older and commands a superb view of Kathmandu city and the Himalaya. Kathmandu Durbar square is where Nepal's finest temples and palaces are found. In the old Hindu temple of Pashupatinath you will get opportunities to meet the Sadhus and see Hindu cremation rituals among other interests. Overnight at Hotel (B/B basis)

Day 03: Fly to Lukla (2804 meters) trek to Phakding (2610 meters) 3 hours.

We leave for Lukla on an early morning flight. It will be an adventurous ride as the Tenzing/Hillary airport is a steep airstrip that is actually hanging off the side of a mountain. After reaching Lukla, we meet the rest of our trekking staff and begin trekking to Phakding. Overnight in Phakding. Flight: 40 min Hiking: 3-4 hrs

Day 04: Trek to Namche Bazar (3440m)

Today we all most hike up to Namche bazaar. It is an uphill hike and the hardest day in your trek. Trekking slowly and stopping frequently for photographs, we take lunch on the way, cross a long suspension bridge over Dudhkoshi river and finally reach Namche Bazaar. Namche is the headquarter of Everest region, an active mountain village where you will get almost everything you will wish as a trekker- shops, restaurants and bar, a bakery, hotel with hot showers and electric power, trekking gears, and even internet facilities are here.

Day 05: Namche Bazaar Acclimatization day.

Acclimatization is important for us to adjust to the gradual change in environment. It will also help us to prevent catching Acute Mountain Sickness (AMS). Today we hike to Khumjung villages, enjoy the Himalayan vista from Syangboche or tour the quaint streets of Namche Bazaar. We can also visit the Tourist Visitor Center where we can see a variety of things related to the first Everest ascenders and Sherpa culture. This visit will also get us acquainted with various plant and animal life of the Everest region. In Khumjung we can even visit a monastery that houses a yeti scalp! We also climb up to the airstrip above Syangboche and enjoy incredible views of Kongde, Thamserku and Khumbila mountains. We walk back to Namche Bazaar to spend the night. ❌

Day 06: Namche Bazaar to Phorse(3,810m/12,501ft)

Today, We leave Namche Bazaar on a trail with gradual ups and downs. On the way we are likely to spot Himalayan pheasants, musk deer and Himalayan Thars. We then begin descending to Kyanjuma. From Sansa, we follow the Gokyo trails and from Mong we get a glimpse of Ama Dablam, Thamserku, Tawoche and Khumbila mountains. Our trail descends to Dudhkoshi Khola after which it is an uphill climb through rhododendron forests before reaching Phorse. From here we get good views of Tawache and Cholaste mountains. Overnight in Phorse.

Day 09: Gokyo Valley: Climb Gokyo Ri (5,357m/17,576ft)

We spend another day in Gokyo to acclimatize to the high altitude. If the weather is good, we climb Gokyo Ri today. From the top of Gokyo Ri we admire the Himalayan vista and the tranquil Gokyo lakes. We also hike to the fourth and the fifth Gokyo lakes. The 4th lake is only about 3km north of Gokyo. It is marked by high cliffs and Himalayan peaks rising above it. We continue to walking a little further and reach the 5th lake. A climb up a nearby hill will guarantee us remarkable views of Cho-Oyu, Gyachung Kang, Everest, Lhotse, Nuptse, and Makulu. We can see a lot more from here - the spot is called Scoundrel's Viewpoint. From the northern part of the 5th lake we see the Cho Oyu base camp and Ngazumpa Glacier which is the biggest glacier the world. We walk back to Gokyo to spend the night.
